

# CARL'S CRUSADERS

HIS FIGHT IS OUR FIGHT

Dear Supporter,

On February 14, 2011, our friend Officer Carl Stoddard went to the doctor because of a stomach issue. He found that he had a large mass in his abdomen and the follow-up tests began. A few short days later, a "healthy" young man found out that he would have to fight for his life. Carl has been diagnosed with a rare form of cancer, Leiomyosarcoma. The cancer has spread throughout his body and he has begun aggressive chemotherapy. Carl has handled this news with grace and courage and is determined to fight, but his fight is OUR fight and we need YOUR help.

Carl has served League City since 1996 as a police officer, a member of the SWAT team, a member of the honor guard, and is a well-known Field Training Officer. During his fifteen years of service to League City, Carl was awarded the title "Officer of the Year" and received the 50 Club of Galveston Award in 2006. However, his most important role is as a husband and a father. His wife, daughter and son are the most important things in his life.

The League City Police Officers' Association is currently raising funds to help support Carl and his family with their financial needs during his journey to win this battle. We want Carl and his family to know that our community is willing to do whatever it takes to make sure that they feel the love and support that he has provided to us over the years.

Donations are being accepted in one of the following ways:

- Checks payable to Gulf Coast Educators Federal Credit Union "for benefit Carl Stoddard"
- For tax-exempt: Checks should be payable to Lion's Charities "for benefit Carl Stoddard"

All donations may be sent to:

LCPOA  
**ATTN: Officer Reagan Peña**  
500 W Walker  
League City, TX 77573

We thank you in advance for whatever contribution you can make to Carl's fight.

HIS fight is OUR fight.

With gratitude,  
Carl's Crusaders
