An Excerpt From The Police
Officer's Prayer

In February of 2011 a pillar in the League City Police Department and the local SWAT community was diagnosed with stage 4 Leiomyosarcoma, a rare type of cancer. Carl's Crusaders are here to help give back to Carl and his wife and two children, in the same way he has given to us over the past years.

Nominated "Officer of the Year" Carl Stoddard is the strongest man for this fight, but HIS fight is OUR fight and we are asking for YOUR help. If you would like to donate or to find out more about how you can help simply log on to our facebook page or contact Officer Reagan Pena, with the League City Police Officers Association, at 281-338-4176 or reagan.pena@leaguacity.com.

What Is Leiomyosarcoma? It is a rare form of cancer that arises in the bodies connective tissues. It only effects four in every million people. It moves quickly and very few doctors know how to treat it. While it is something he will likely fight his whole life, we do believe he can and will beat this.
